The LTK effect –
Get personal. Scale faster.

**LTK is the community** where Creators run their business on LTK and personally share their campaigns with each other and consumers, creating virality with **40M** avid consumers who **double** Creator reach, scaling brand awareness and sales faster.
This report summarizes key findings related to LTK’s national shopper study conducted in December 2023, and the Brand decision maker study conducted in August 2023.

Methodology

Shopper survey conducted December 2023 with 1,312 participants, reflective of US population with 97% confidence.

Brand study conducted in partnership with Northwestern University Retail Analytics Council canvassing 164 brand decision makers in the US, in large $1B+ in sales, to medium <$1B in annual sales.
Creators growing influence disrupts the consumer journey.
A BUYER’S JOURNEY

Stop 1: Awareness

Customer has a need and is doing research to identify the best solution. To be in their consideration, they have to be aware of your brand as a potential solution. The majority of consumers search Creators for solutions during their research.
Storytelling through content is more important than ever before. Creators do this best.

Creators are now the #1 trusted across ALL generations

Stop 1: Awareness

Creators are the source of inspiration for Gen Z and Millennials:

- Creator
- Brand website/brand marketing
- Search engines
- Celebrities

Gen Z finds Creator content 59% more inspiring than brand content. Gen Z was 3X more likely to say they trust Creators over ads. 92% of brands say Creator marketing will have a higher budget or play an increased role in strategy in 2024.
A BUYER’S JOURNEY

Stop 2: Consideration

Once a prospect has a solution consideration set, they rely on the opinions of those they trust most. Because Creators are trusted as much, or more than friends and family, they often streamline the path from awareness to consideration.

A BUYER’S JOURNEY

Stop 3: Purchase

The majority of consumers abandon their initial purchase attempts, because most often, what they understood is presented differently. To improve conversion, be transparent about all possible costs, purchase details, and product use.

If a new customer arrives to find different terms than what they had found in their research, their trust is diminished, and even if they make a purchase out of convenience, they most likely won’t return.
Changes in shopping behaviors amplify *Creator influence*

More than half of the population does the majority of their shopping online—they also say that most of their online shopping is done through their phone.

- **23%** of the population says a majority of their shopping originates from social media.
- **2X** LTK shoppers shop 2X more from social media than the general population.
