

LTK founded Creator Commerce[™]—an ecosystem that powers Creator businesses and delivers a more powerful, personalized, and enjoyable shopping experience.

Millions of shoppers turn to LTK Creators every month to find inspiration and instantly shop their styles recommended. LTK Creators drive billions in annual retail sales through the LTK platform.

Built by a Creator, for Creators, LTK was founded in 2011 by Amber Venz Box and Baxter Box with the mission to empower Creators to be as economically successful as possible. LTK is headquartered in Dallas, Texas and currently operates on five continents.

LTK Creator app

LTK empowers the world's premier lifestyle
Creators to build and future-proof their
businesses by using the LTK Creator app to build a
dedicated, digital storefront—their LTK Shop. The
LTK Shop is a Creator's one-stop destination to
house all of their personalized and shoppable
content, built with their success at the heart of the
mission.

LTK shopping app

A free shopping app, where shoppers can find inspiration and instantly purchase products across every category from thousands of global Creators. The convenient, easy-to-use shopping experience helps users match with relatable Creators from anywhere.

LTK brand & retailer network

More than 7,000 global brands partner with LTK and its global influencer network for original content that drives sales and converts against performance-driven, cross-channel KPIs.
